## Local Project Highlights

- PSE Installed 3 miles of new overhead powerlines along Thrall Road
- PSE signed a contract with Invenergy to buy power from the Vantage Wind Energy Center starting in 2025

## Community investments and Powerful Partnerships

Puget Sound Energy and PSE Foundation together gave more than **\$3.5M** to community based organizations in 2023. These contributions supported food security, safety preparedness, shelter and housing programs, youth and workforce development, and other charitable programs that provide essential needs and services to PSE's customers and communities at large.

Our 2023 Powerful Partner was the Kittitas County Historical Museum.

## TOGETHER, We're undergoing one of the most significant transformations in our history

For 150 years, Puget Sound Energy has fueled the growth of local communities in one of the most innovative regions in the world. We're undergoing one of the most significant transformations in our history as we strive to meet Washington state's clean energy laws, while continuing to deliver the safe, clean and reliable our customers expect.

We're aggressively pursuing renewable energy resources, from large, utility-scale generation projects to energy produced locally and in partnership with the neighborhoods and communities we serve. At the same time, we're strengthening and modernizing the electric grid, and investing in technologies that can support a continuous and reliable supply of clean energy to our customers.

### Lighten your carbon footprint

Want to reduce your environmental impact and support the growth of renewable energy?

We offer a variety of flexible renewable energy programs to fit your goals and lifestyle.

Find the program for you at [pse.com/renewables](https://pse.com/renewables)

### Get EV charging at low to no cost

By 2035, all new passenger cars and trucks sold in Washington state will be electric.

Our incentives can help your organization, apartment or community install electric vehicle charging at low to no cost. Or, bring EV charging home with our Level 2 charger rebates.
